**Notes about Gift Aid donations:** You must be a UK taxpayer to qualify. You must pay income tax or capital gains tax to at least equal to the amount we claim on your donation(s) in the tax year of your gift(s). For example, on an amount given in a tax year totalling £100, you must have paid the Inland Revenue at least £25 in tax in that same year for us to be able to make a claim. If you are a higher rate taxpayer, you can claim tax relief on your tax return.

*If you cease to be a taxpayer at any point, please inform us immediately so that we no longer claim tax on your gifts.*
