Coronavirus Codebreaker: *Talking to God*

Life is strange at the moment, isn't it? Most of us have to stay at home, so we can't go to church and meet our friends. We can't chat to them the way we usually would, or spend time with them. But God isn't stopped by the coronavirus! Here's a wonderful promise from the Bible:

This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us. (1 John 5 v 14)

- Do you find it hard staying indoors? Talk to God about it.
- Are you scared of the coronavirus? Ask God to help you trust him.
- Are you missing your friends at church? Ask God to look after them.
- Do you sometimes wake up in the night? You can talk to God then as well!

It's wonderful to know that we can talk to God whenever we want. The Bible tells us lots of other great things about God as well. The more we get to know him, the more we will be sure that we can trust him with everything – even scary things like the coronavirus!

Why not make up your own coded message about God using the arrow code? Then you can ask someone in your family to break it, or take a photo of the page and send it to one of your friends. Happy code-making!
